My Dear Mirza

Please refer to
your letter of 11th &
the Enclosure herewith
returned.

I wish to point out
a little error. The
copy of my letter to
you in reference
to the H. Secy for
Salemen in Mtge Hyderabad
as stated

but for information.

The practice is
based on usual
Official Etiquette
observed when
one member of
His personal Staff

on Him. The
practice was followed
when New York
formerly was His very
own Capital.
